This book is dedicated to the memory of Judge Robert
Russell and Governor Eugene Talmadge

2263786

FOREWORD:

The "Bench and Bar of Georgia" has been designed
as a book of real utility and one that will fill a long-felt
need; bringing to the Lawyers and Judges authentic data
and recent portraits of their contemporaries of the Bench
and Bar of this State.

The Publishers

And to Governor Ellis Arnall and Governor Herman Talmadge
two of our living former governors.

THE HISTORY OF THE CITY OF BOSTON FROM 1630 TO 1880 BY JOHN H. COLEMAN BOSTON PUBLISHED BY THE BOSTON PUBLIC LIBRARY AT THE CITY OF BOSTON 1880

The history of the city of Boston from 1630 to 1880, by John H. Coleman. The work is a comprehensive and detailed account of the city's development over a period of 250 years. It covers the early years of settlement, the growth of the city, and the various events and people that shaped its history. The author provides a thorough analysis of the city's political, social, and economic life, and offers a valuable perspective on the city's role in the history of the United States. The book is a must-read for anyone interested in the history of Boston or the United States.

The book is divided into several parts, each covering a different period of the city's history. The first part covers the early years of settlement, from 1630 to 1700. The second part covers the growth of the city, from 1700 to 1800. The third part covers the city's role in the American Revolution, from 1776 to 1800. The fourth part covers the city's development in the 19th century, from 1800 to 1880. The book is written in a clear and concise style, and is easy to read. It is a valuable resource for anyone interested in the history of Boston or the United States.

The book is a comprehensive and detailed account of the city's development over a period of 250 years. It covers the early years of settlement, the growth of the city, and the various events and people that shaped its history. THE HISTORY OF THE CITY OF BOSTON FROM 1630 TO 1800 BY JOHN H. COLEMAN VOLUME I 1880

The history of the city of Boston from 1630 to 1800 is a story of growth and development. It begins with the arrival of the first settlers in 1630, who found a small fishing village on a narrow strip of land between the harbor and the mainland. Over the years, the city grew in size and importance, becoming a major center of trade and commerce. The story is told in a clear and concise manner, with a focus on the key events and figures that shaped the city's history. The author, John H. Coleman, is a well-known historian and author, and his work is highly regarded for its accuracy and detail. This volume is the first of a two-part series, and it covers the period from 1630 to 1800. The second volume covers the period from 1800 to the present day. The book is a valuable resource for anyone interested in the history of Boston, and it is a must-read for anyone who wants to learn more about the city's past.

STEPHENS CROCKETT

THE HISTORY OF THE CITY OF BOSTON FROM 1630 TO 1800 BY JOHN H. COLEMAN IN TWO VOLUMES VOLUME I FROM 1630 TO 1700

The history of the city of Boston from 1630 to 1800 is a story of growth and change. It begins with the arrival of the first settlers in 1630, who found a small fishing village on a narrow strip of land between the water and the hills. Over the years, the city grew in size and importance, becoming a major center of trade and commerce. The story is told in two volumes, with this volume covering the period from 1630 to 1700. The second volume covers the period from 1700 to 1800. The author, John H. Coleman, is a well-known historian and writer. His work is based on a wealth of primary and secondary sources, and it is written in a clear and engaging style. The book is a valuable resource for anyone interested in the history of Boston or the early American colonies.

THE HISTORY OF THE CITY OF BOSTON FROM 1630 TO 1800 BY JOHN H. COOPER VOLUME I 1857

The history of the city of Boston from 1630 to 1800, by John H. Cooper, volume I, 1857. The book is a comprehensive history of the city, covering its early settlement, its growth, and its development. It is a valuable resource for anyone interested in the history of Boston.

The book is divided into several parts, each covering a different period of the city's history. The first part covers the early settlement of Boston, from 1630 to 1680. The second part covers the period from 1680 to 1730, and the third part covers the period from 1730 to 1800. Each part contains a detailed account of the events that shaped the city during that time.

The book is written in a clear and concise style, making it easy to read. It is a valuable resource for anyone interested in the history of Boston, and it is a must-read for anyone who lives in the city.
